Program Overview

Penn's Young Scholars Program permits high school students to enroll in one undergraduate course per semester for academic credit. Young Scholars will attend and participate in courses alongside Penn undergraduates, and all students will be assessed and evaluated as traditional undergraduate students. Upon successful completion of the program and all coursework included therein, Young Scholars may request official copies of their University of Pennsylvania transcript outlining courses completed and grades earned. When applying for full-time undergraduate study, either at Penn or another institution, you will be required to submit all secondary and post-secondary academic transcripts, which includes the transcript you will receive upon completing the Young Scholars Program. As such, it is imperative all Young Scholars take coursework seriously and relay concerns to an academic advisor immediately.

Scholars courses may be found on the College of Liberal and Professional Studies website:
<https://hs.sas.upenn.edu/academic-year-program/courses>

Young Scholars are not eligible to register themselves for courses. Please note: Enrollment in a specific course is not guaranteed. Course enrollment may be verified through Path@Penn. In order to submit your course preferences, you must fill out the survey here: https://upenn.col.qualtrics.com/jfe/form/SV_6x4ZqKmphDHzfLw
Contact High School Programs Director, Tiffany Clayton via email at tclay@sas.upenn.edu or hsprogs@sas.upenn.edu for any questions related to your course enrollment.

Academic Policies

Academic Standing

All Young Scholars must maintain a 3.0 GPA in their Penn courses in order to remain a member of the Young Scholars Program. Any Young Scholar who does not maintain a B average will not be allowed to register for the following semester. Any student who does not meet the academic criteria will be dismissed from the program and will need to reapply for a future term.

Academic Integrity

All students are required to abide by all College of Liberal and Professional Studies and University policies, including the Code of Academic Integrity. The code may be found here: <https://catalog.upenn.edu/pennbook/code-of-academic-integrity/>

Grading System

The following grades are used to report the academic standing of a student upon completion of each course.

A+	= 4.0 Distinguished	F	= 0.0 Failure
A	= 4.0 Excellent	GR	= No Grade reported for student
A-	= 3.7	NR	= No Grades reported for course
B+	= 3.3	I	= Incomplete (see below)
B	= 3.0 Good	II	= Extended Incomplete (see below)
B-	= 2.7	P	= Pass, A+ TO D
C+	= 2.3	S	= Satisfactory progress
C	= 2.0 Average	U	= Unsatisfactory
C-	= 1.7	W	= Withdrew
D+	= 1.3	AUD	= Audit
D	= 1.0 Below Average	X	= Academic Violation

Pass/Fail Option

Pass/Fail is an option to encourage students to take courses in subjects that they might avoid if they were required to enroll on a standard, graded basis. Regulations concerning this Pass/Fail option are listed below:

1. In courses taken Pass/Fail, the standard letter grades A-D are converted to P (Pass) by the Registrar. A failure is posted as an F.
2. Grades of P are not computed when determining students' grade point averages; grades of F are computed.
3. The Pass/Fail option stipulates that the instructor is not to be informed of those students who have enrolled Pass/Fail.

Credits and Credit System

Penn academic credit is measured in "course units" (CU). Most courses earn one CU, which is equivalent to four semester hours at other institutions. If planning to transfer your Penn credits to your future undergraduate institution, please maintain a course syllabus and transcript for your records, as these will aid in the transfer.

Incompletes

An incomplete grade indicates that a student has not completed all the work in a course and has done so with the instructor's permission. An instructor who chooses to grant an extension to a student who has not completed a course by the end of the term may grant either an Incomplete (I) or an Extended Incomplete (II). An Incomplete must be made up within the first four weeks of the start of the next term, and an Extended Incomplete must be made up by the end of the next term. In either case, if the Incomplete is not made up by the deadline it will become an F. An Incomplete is made up only when the official grade is received by the LPS office. Once an Incomplete grade is converted to an F the instructor may change the grade after the student has completed all required work.

Failures

A grade of F remains on the student record and cannot be erased, even if the student repeats the course and earns a passing grade. A grade of F is always calculated into the cumulative grade point average.

Academic Grievances

The instructor who gives an evaluation, exam, or course grade has sole authority for changing such evaluation, exam, or course grade, provided the instructor remains on the faculty (or the emeritus faculty) of the University of Pennsylvania. In cases in which faculty appointments have terminated, or faculty have resigned or are deceased, sole authority for changing an evaluation rests with the Undergraduate Chair of the relevant department. LPS students who wish to have an evaluation, exam, or course grade reviewed must first discuss the matter with the instructor. Should this meeting not yield a satisfactory resolution the student may ask the Undergraduate Chair of the department for assistance. Should the matter not be resolved with the aid of the undergraduate chair or program director, then the student may seek the assistance of the Vice-Dean of LPS.

Petition Procedure

Students who are requesting an exception to an existing policy or requirement must first meet with the Young Scholars staff to discuss the request and to receive a petition form, if that is the best course of action. Petitions and supporting documents are submitted to the LPS Student Services office and will be reviewed by the LPS Petitions Committee.

Final Examinations

No students shall be excused from a final examination in a course where such an examination is required. In exceptional instances, such as serious illness or injury, students may be allowed to postpone the examination with the approval of the instructor.

Transcripts

An official transcript of a student's academic record is available from the University Registrar. To request a transcript, follow instructions outlined on the Registrar's web site (<https://srfp.upenn.edu/student-records/transcripts/current-students-1988-present>).

FERPA Policy

As stated by Federal law, the Family Education Rights and Privacy Act (FERPA), protects the privacy of student educational records. Students in the Young Scholars Program are protected under FERPA policies, meaning information regarding a student's performance in the classroom or any identifying academic information may not be released to anyone but the student. The University generally cannot, by federal student privacy law (FERPA), discuss your academic or financial records with a third party, including parents. To authorize Penn to share your information with a parent, guardian, sponsor, or another party, you must designate them explicitly.

From Path@Penn, select Profile, privacy & emergency, then Share Academic/Financial Information.

Electronic Resources

Penn Key

The [PennKey website](#) for FAQs and trouble shooting.

Couldn't find an answer in their [Help Guide](#) or [FAQs](#)? Ask for help from the Pennkey department via [this online form](#).

All Young Scholars Students are REQUIRED to set-up a PennKey, which is an access code for ALL University systems, including Path@Penn, the online billing system, and Canvas.

New students should receive a set-up code necessary to create a PennKey shortly after enrolling (typically within 72 hours). This is sent via email from pennkeysetupcode@lists.upenn.edu. **Please be sure to check your spam or junk folder for this automated email.** Newly admitted students who did not provide a U.S. Social Security Number with their application are also issued a Penn-assigned SSN to use during PennKey registration.

Once you receive your set-up letter please follow the instructions to properly set-up and test your PennKey. Also set up the "PennKey Self-Service Password Reset" (SSPR) service here: <https://accounts.pennkey.upenn.edu/pwm/private/updateprofile> in the event that you forget your password. SSPR is a modern, secure, easy-to-use app for resetting your own PennKey password using only your pre-registered personal (non-Penn) email address and cell phone number.

Two-Step Verification

See FAQ: "[How do I enroll in Two-Step?](#)"

Two-Step Verification provides an added layer of protection when accessing PennKey-protected web sites and applications. After you log in with your PennKey and password, you'll use a device in your possession to verify your identity. With Two-Step, your data is protected, even if your PennKey password is compromised. To enroll in Two-Step, visit: <https://twostep.apps.upenn.edu>. If you have any issues with two-step verification please email techcenter@upenn.edu or call (215)746-2222.

Penn SAS Email

All Young Scholars are REQUIRED to obtain and regularly check a Penn e-mail account while at Penn. This e-mail address is where all official correspondence from the University will be sent (including billing statements, course communication, etc.). After setting-up your PennKey, please go to the following site and follow the instructions on setting up a Penn e-mail account: <http://www.sas.upenn.edu/computing/help/students/email>. If you have any questions about your email please utilize this help form: <https://computing.sas.upenn.edu/help/students/forms/email>

Remote IT Support

[This guide](#) is intended to help all students with accessing and using virtual instruction. This guide covers PennKey support, remote learning tools, and [SAS-specific support](#).

Participating in an Online Course

Information about [preparing for your online course](#) and [course expectations](#) is available here.

Instead of meeting in a classroom for 3 hours per week, your time may be spread over an entire week that includes reading, watching videos, participating in discussions in Canvas, and participating in live Zoom meetings, plus any assignments and projects. Courses may meet synchronously (in real time) or asynchronously (at the student's pace) or a hybrid of both. This information is denoted on all course descriptions. Please be advised that *most* courses will meet synchronously *without* the option of prerecorded online lectures.

Tuition and Billing

Course tuition and fees are calculated in the same manner as all other non-degree undergraduate students at the College of Liberal and Professional Studies. The rate of tuition is based upon the number of course units taken and the division of the University in which they are taken. All billing for the University will be done on an electronic basis via Penn.Pay. Please refer to the following website for complete information: <https://srfs.upenn.edu/billing-payment/pennpay>

Any Young Scholar that attends a School District of Philadelphia public (<https://www.philasd.org/school-directory/>) or School District of Philadelphia charter high school (<https://www.philasd.org/charterschools/directory/>) will receive a full tuition waiver for **one** undergraduate LPS evening course, limited to the fall and spring semesters only. Summer course tuition is charged of all Young Scholars, regardless of school district. **If you are a high school student outside of the Philadelphia school district/charter school system then you will need to pay full tuition.** Information about tuition can be found [here](#).

All students (regardless of semester or school district) are responsible for any other fees associated with attending courses, which may include textbooks, laboratory fees, transportation, Penn Cards, course materials, etc. You can more information about Young Scholars tuition here: <https://www.lps.upenn.edu/non-degree-programs/hs-young-scholars/tuition>
